SUMMARY

Cameron Yudelson was born in Rochester NY, the home of Kodak. Growing up surrounded by a vibrant film and photography culture instilled in him a love of movies from an early age. While studying philosophy and history at college, he enrolled in his first film theory course. His passion for cinema quickly morphed into a dream of becoming a writer-director.

EXPERIENCE

Writer and Director 2022 - present
"Moscow Mules" and "Squeeze Me" | Short Films

Adaptable writer-director capable of bringing creative visions to life through film. Skilled in on-set direction, ensuring a cohesive and visually consistent narrative. Recognized for fostering a calm and collaborative working environment, with a record of successfully guiding multiple productions from concept to completion.

Script Supervisor 2023
"Fisheye" by Tommy Graves | Music Video

Highly organized with a keen eye for detail, ensuring continuity on set by tracking actors' positions, wardrobe, and props. Proficient in generating detailed production logs and reports. Recognized for effective communication with the entire production team.

Producer 2023
"Run, Hide, Fight" | Short Film

Skilled in budget planning, crew negotiation, and legal compliance. Proficient in logistics coordination, production management, and post-production collaboration, successfully leading to a film completed on time and on budget.

SKILLS

Critical Thinking. Active Listening. Creative Awareness

Attention to Detail. Proactive Problem Solving.

Leadership. Collaboration. Adaptability.
